Each code letter always stands for the same letter. Write the message in the boxes.

31

A proverb about settling for what is certain. Birds and a bush are involved, and so is arithmetic. Given: A = S, L = I, D = R, E = B, Z = E

R E L D U L Q G J Z J R Q U L A
 B I R I E I S
 F M D G J G F M L Q G J Z
 R I E
 E X A J
 B S

32

A proverb about criticising the neighbours from a position far too fragile to survive the reply. Given: B = V, D = I, S = G
